Dear Parents,

Homework and Doodle Learning

We will be using Doodle Learning this year for your child's English and Maths homework. This is an App using educational technology to support children's learning in a fun, rewarding adventure. It is really important that when your child carries out the initial assessment on Doodle that they do it with no help so the future tasks can be relevant for your child.

You will also have access to Doodle Spell and Doodle Times Tables, your child can access these too but won't be set tasks to complete. To download the Apps, visit <https://doodlelearning.com/> or scan the QR code on your child's password and username card (which will be sent home with your child).

Year 1 – 2 will also have access to numbots to support children learning number facts. Years 3 – 6 will have access to TTRockstars which encourages children's quick recall and fluency of multiplication and division facts.

All children will bring home a reading book and are encouraged to read at home every night.

Thank you for your support,

Kind Regards,

Miss Day

Deputy Head
