Dear Parents

12th September 2023

School Fund – 2023-2024

Three times a year, the school requests you make a voluntary donation to the school in the form of a £15 contribution (£5 per term). School Fund money is used to provide the little extras that fixed school budgets cannot be used for. It all goes towards providing things that support your child's wellbeing and learning in school.

For some larger families, this could mean quite a sizeable sum of money. If you are able to make a full donation we would be grateful, but any size donation would be appreciated.

We would be extremely grateful if you could pay using Arbor where payments of £5, £10 or £15 have been set up. (Please look under the Clubs section in Arbor to make your School Fund payment.)

Thank you in advance for your generosity in supporting Cecil Road Primary and Nursery School.

Thank you.

Yours sincerely

Mrs C. Old
Headteacher
