## Friday 29<sup>th</sup> September 2023 2.45pm

As part of your child's literacy learning, the school follows the Read Write Inc. Phonics Programme. These are designed to stimulate and challenge children's thinking and create enthusiastic, life-long readers and writers.

Children in Reception and Year 1 follow the Read Write Inc. Phonics Programme. We will teach children to read and write in a fun, lively and structured way. They are regularly assessed to monitor progress through the programme.

The children will be taught sounds daily which will be sent home in a wallet for your child to practice. Please keep these safe and in your child's bag so that we can add to them. Children will then practise reading and spelling words containing these sounds.

We will be holding a meeting on Friday 29<sup>th</sup> September 2023 at 2.45pm for any parents who would like more information and show you additional ways in which you can support your child at home. You might like to look at the Read Write Inc. website beforehand. <https://www.ruthmiskin.com/parents/>

I look forward to meeting you.
