Term 6

1st June—17th July 2026

Our theme this term is linked to **Water**, including the seaside and life under the sea. If you would like to follow this up at home, here are a few ideas you might like to try.

Talking, Stories & Songs

- *Talk about water safety. Discuss the things that are good and bad in relation to keeping safe around water.
- * Discuss how we might waste water and how we can save it. For example forgetting to turn the tap off when we are cleaning our teeth.
- *Visit the Library to look for fiction and non-fiction books about water and the seaside.
- *Talk about how to protect ourselves in the sunshine e.g. sun block, hats and drinking plenty of water.

Looking & Making

- * Help your child make a holiday scrapbook of places they have visited or of things that they have done.
- *Create seaside collages together using paint, paper, shells and sand.
- *Make ice lollies to keep cool. Talk about how they melt once out of the freezer.
- *Make a poster to display in your home reminding family members not to waste water!

It's getting warmer!

We're all hoping that the sun will continue to put his hat on and shine for us. When the sun does come out to play, it can be very warm in the outdoor area. Please ensure that your child comes to nursery with a named sun hat and water bottle. Also, please make sure that you have applied sun cream on your child before arriving at the nursery each day.

If your child stays with us in the nursery all day, please provide a clearly named bottle of sun lotion, so that it can be reapplied at lunch time for the afternoon session.

Toys

When the children start their journey with us, we invite them to bring a small toy from home to support them with settling into the nursery. Now that the children are all well established in the nursery, we kindly ask that they leave their own toys at home so that they do not go missing or get damaged. We would like to thank you for your co-operation with this matter.

Events this term!

- Nursery sports day - Monday 6th July
- Nursery Graduation - Wednesday 15th July
- End of Term - Friday 17th July—finish at 2pm
