Diwali Day

The afternoon will be filled with a variety of exciting activities designed to enlighten the children to some of the festivities for Diwali and other aspects of the Indian culture. On the day, the children may wear their own party clothes and we are asking for a donation of £1 via Arbor, which will supplement some of the resources needed for the day.

We would like to invite you to your child’s class at 3pm to show you the fantastic learning they have taken part in that afternoon. You are welcome to take your child home after this. We are all looking forward to the day and hope that our children will learn lots about the festival of Diwali.
