Headteacher: Mrs C. Old

Dear Parents/Carers,

Firstly, we hope you are enjoying the poems our Year 6 children created in this year's Poetry book. Due to the poems we wrote to support the **National Energy Action** charity, we are pleased to say that on **Friday 2nd February** a representative will be coming in to work with our Year 6 classes.

On this afternoon they will be presenting an assembly to the children with regards to the fantastic work they do within our communities, and we would love to open this assembly for you to come along and share the poetry your children created and learn how it will support families in need.

After the assembly at **3pm** the representative of the **NEA** will be in the **MAIN HALL** offering information and support to anyone that may need it.

Don't forget - The '**Book of Poetry**' is available for **£3.00** – **if you would like a copy please pay via Arbor (see under the Trips section)**. We hope you enjoy our collection of poems written by children in Year 6.

Yours sincerely

Year 6 Team
