

Cecil Road Primary School

Together we achieve more.

Our Value—Our 5 C's

Commitment – Always working hard and trying our best

Wow! What a great term the children have been really committed to their learning and we are seeing great progress across the school. I am already excited to see more of our children's amazing achievements in Term 4.

This week we have been learning about online safety and behaviours. Being online is a HUGE part of both our and our children's lives and educating ourselves and the children is of vital importance.

Please **TALK** to your children about being online, make it easy for them to tell you about anything that worries or scares them. A great way to do this is to find out more about what they are playing – watch or join in!

Here are some websites that have lots of information to support you and your children.

From Year 1—Year 6, children have accounts for a range of online learning to access at home.

Please see our Homework Policy attached for your information.

Cecil Road Sports & Active Families Page

During this term we have taken part in lots of different sporting events such as Football, Benchball, Boccia and Kurling. Our teams have been very focused with good techniques and skill development. We are constantly amazed by their team work and support for each other.

Well done to our football team who took part in the O'Reilly Shield quarter finals on Wednesday. They fought hard and played brilliantly, just missing out on a win after penalties. Such a fantastic

team, we are so proud of you!

Have fun . . .take learning beyond our school gates . . .Active games to play at home.
