Our Value—Our 5 C's

Compassion—Caring about others, treating them with kindness and helping each other.

Partnership Meetings— Thank you to everyone who attended our partnership meetings. It was really lovely to see so many families. Please remember our “door is always open” if you need to speak to your child’s teacher or a senior leader—speak to the school office and they will coordinate this for you.

THE SIX PRINCIPLES OF NUTURE—WELLBEING

At Cecil Road we encourage all children to be kind and compassionate to each other. We also help children to feel positive about themselves by celebrating achievements weekly in our values assembly and daily in class.

COMIC RELIEF—RED NOSE DAY

Our school council were delighted to see all the colourful outfits and crazy hair coming into school last Friday. They would also like to thank everyone for their very generous donations during the day and after school at our Toy Sale.

We raised £300 and are delighted to be sending £150 to Comic Relief and using the remaining £150 towards new playground seating. The playground seating will be chosen by the school council who are really looking forward to picking new seating as soon as we have raised sufficient funds to cover this cost.

Active Families

Family Fun Dance

How to play:

- Think of the typical gestures and movements some of your family members do all of the time.
- Decide on two or more typical movements for each person.
- Link these into a dance performance and add some music to your dance.
- Perform to your family.
- If you have a brother or sister, you could create the dance with them about your parents.

You could even use your pets for ideas.

PTA DIARY DATES

Every Friday starting from Friday 23rd February we are planning to sell treats from the playground such as doughnuts, sweets and when the weather improves ice poles. Watch out for the PTA flyers advertising these treat days!

The PTA would like to thank everyone who has supported their events over the last year. We have been able to purchase new rugs for Donaldson and Rosen classrooms—they look wonderful and the children say that they make their rooms so bright and cheerful.

We have also donated towards the cost of the new trim trail flooring in the lower school playground.

The children love playing in this area and it has made it a much more attractive place to play.
