Our Value—Our 5 C's

Compassion

Caring about others, treating them with kindness and helping each other.

be kind to
YOURSELF
♥

As we end Term 4 and the spring sunshine arrives, I wanted to say a HUGE thank you to all the children, staff and our families for all their hard work this term.

We have seen so many excellent learning opportunities for all this term and I feel we have already proven this year that 'Together We Achieve More.'

I am already excited to see what terms 5 and 6 bring as we continue to strive for excellence and look forward to working with you all in achieving this.

THE SIX PRINCIPLES OF NUTURE—WELLBEING

Transitions – at Cecil Road we prepare our children for change by using visual pictures and social stories. During the holidays try drawing pictures to show your children what they are doing each day. This can also help them know when they are allowed 'screen time'.

Spare Clothes—If your child has an accident in school and is sent home with a change of clothes—please could you remember to wash and return these clothes as soon as possible.

We are very short of underwear for all ages—if you have any spare please would you consider donating to the school..

Grandmother's Footsteps!

What you need: three or more people

How to play:

- One person begins as the 'Grandmother', facing away from the others at the other end of the space.
- All other players begin behind a marker which shows the start line.
- Grandmother says 'go' and players try to creep up to the Grandmother without being heard.
- If the Grandmother turns around, everyone must freeze. If the Grandmother sees anyone move, they get sent back to the start.
- When the Grandmother turns away, everyone is allowed to creep again.
- The first person to get to the Grandmother wins the game and starts as the Grandmother in the next round.
