Phonics Screening Check – June 2024

The phonics screening check happens for year one children across the country in June. We have put together a collection of resources to help you support your child at home whilst we lead up to our phonics screening check.

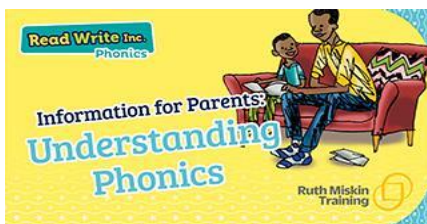

In your child's bag they have a wallet containing all of the sounds that they have learnt. These include the pictures that we use to help the children remember them, for example they will be able to tell you that 'ay' is 'may I play'. Please note that your child may not have covered every one of these just yet but will be very soon! Please look carefully at the sound cards as some have the same sound with a different spelling. Please practice these sounds with your child at home.

You also have a collection of words similar to those that may appear on the check. These include alien words (nonsense words) and real words. We have left you a blank column so that you can use the sounds to write your own alien words as well.

We do not wish children to become anxious or worried about this but thought we would give you a clear indication of the way the words could be written on the screening check.

Thank you for taking the time to go through this with your child. It should become apparent if there are any sounds that they find harder to read in the words.

We are so impressed with the progress the children are making on their phonics, well done!

For more information, please visit www.ruthmiskin.co/parentsandcarers and watch the phonics screening check video.

Please come and see us if you have any questions regarding this information.

The Year One Team

Year 1 Common Exception Words

Please practice **reading** and **spelling** the words. We call them **red** words and they are in your child's popper wallet along with their sounds.

Year 1 Common Exception Words
