

This term we will be learning about ourselves! Key questions that will be explored include: Who am I? Where did my name come from? What am I like? What am I good at? What is special about me? What are parts of my body called? What are my senses?

We become detectives in history and explore our place in the world by using our family to discover what school life was like in the past, making them think about their lives now compared to those of earlier generations. We will also be studying our bodies and thinking about how we use our senses.

Parts of the body

The 5 Senses

Humans have five senses. The senses are linked to parts of the body.

Sense	Part of the body
 sight	 eyes
 smell	 nose
 touch	 hands, feet, etc.
 hearing	 ears
 taste	 tongue
