Dear Parents/Carer

29th September 2020

Harvest – World Food Day - Friday 16th October 2020

This year has been very different and a first for us all but we are looking forward to celebrating and learning about Harvest Celebrations and World Food Day on Friday 16th October 2020.

This year for our Harvest celebrations are asking everyone to wear **GREEN** (non uniform) and make a monetary donation towards our local food bank based at St Botolph's church hall. Unfortunately, due to Covid-19 restrictions, we are unable to accept food donations or hold a parents assembly this year but the children will be taking part in some great learning in their classes.

Event: World Food Day & Harvest Celebrations

Date: **Friday 16th October 2020**

Celebration: Wear **GREEN** and donate money to our local foodbank

The Hive Hope Food Bank have set up a Just Giving campaign if you would like to donate direct to this organisation. The link for this is:

[Hive Hope Virtual Harvest Festival](#)

The Food Bank are supporting on average at least 70 local people each week and expect this number to rise. They will use the money raised to buy stock.

Thank you for continuing support in these challenging circumstances.

Kind Regards

Mrs Y. Quigley
