

Cecil Road Primary School

Together we achieve more.

We know that this is a very worrying time for all our families and are very grateful to our school community for continuing to maintain high levels of hand hygiene, wearing face coverings and follow all our new rules and directions.

It will be lovely to see the staff and children from our Reception and Year 1 classes returning to school on Monday after their “bubble” closure. They are all well and looking forward to coming back to school.

We are also pleased to report that there are currently no Covid cases in our school. The staff and children who are isolating presently are doing so because of a possible coronavirus contact outside of school.

This is really positive and is due to everyone involved with the school continuing to be extremely careful and considerate when visiting the school site.

Everyone is aware of the symptoms to look out for but as a reminder please remember:

- ⇒ **A high temperature**—this means you feel hot to touch on your chest or back (you do not need to measure your temperature).
- ⇒ **A new, continuous cough**—this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual).
- ⇒ **A loss or change to your sense of smell or taste**—this means you’ve noticed you cannot smell or taste anything, or things smell or taste different to normal.

If you are at all worried about your symptoms and are not sure what to do use the NHS online coronavirus service. If you cannot get help online call 111. Please do not go to your GP surgery, hospital or pharmacy.

Your Community Kitchen

Feeding Children—One Hot Meal A Week

We have been approached by ‘Your Community Kitchen’ who are a group of local community volunteers who are offering to deliver, to your house, one freshly prepared warm meal (and other food items) once a week, to a child from those families who find themselves struggling due to Covid-19.

This scheme will run in December and possibly January 2021 and they only have a limited number of meals to deliver and these will be on a ‘first come, first served’ basis.

Please see the attached flyer giving details of how to contact them.
