

Help, Support and Advice

All the latest information on local services including requesting help if you or someone you know is vulnerable or self-isolating

Please visit the Gravesham Borough Council website: www.gravesham.co.uk for HELP, SUPPORT and ADVICE on COVID-19. They have many different areas of support available to individuals and families who are struggling and finding themselves in difficult situations.

Gravesham Borough Council are working closely with the North West Kent Volunteer Centre and other community partners to get vital supplies and medicines to those who need them most in our community.

If you, or anyone who know is vulnerable or self-isolating and without an immediate support network, you can ask for help. This may include help with your shopping or having a prescription collected.

The council website has lots of advice and support for all areas of the community such as:

Advice for businesses

Find out about current guidance and support for businesses regarding COVID-19.

Test and Trace support payment

If you receive a positive Covid-19 test result or are told by the NHS to self-isolate, you may be eligible to receive a £500 lump sum.
