Gravesham Borough Council are happy to announce that The Woodville is to open as a large-scale Covid-19 vaccination centre from this week. GBC have been working with the NHS to set the centre up and you will be contacted when it is your turn to be vaccinated.

GBC are providing an hour's free parking in Parrock Street car park for those attending the centre. Please remember to take with you proof of your appointment and be sure to park in the correct area. This area in the car park will be clearly signposted. There will also be a drop-off/pick-up point in Woodville Place, next to the stage door.

Please do not call or email The Woodville box office to ask about vaccinations as this site is closed. The NHS will contact you when it is time to arrange a vaccination appointment.
