**Headteacher: Mrs Y. Quigley**

---

Dear Parents and Carers

3<sup>rd</sup> February 2021

## **Remote Learning Update – Online Safety**

A huge thank you to all those children and families that have been taking part in our Remote Home Learning, we have received lots of amazing work.

Please find a collection of websites and links below that may help and support you with online safety:

[Internet Matters](#) parent guides to help you.

[Netaware](#) support from the NSPCC

[Parentinfo](#) support from Parent Info and CEOP

[childnet](#) has toolkits and talking points to support parents.

We know you are working hard to keep your children safe online. For their safety and security, please continue to monitor the sites your child is looking at. You may also want to check what they are posting online. For advice and help on how to check their internet browser history please [click here](#).

Remember to remind your child that their behaviour online should be as respectful and kind as it is offline.

Our children have told us they are sometimes worried about speaking to adults if they see something they do not like, as they are worried they will lose their phones or devices. Remember we need to help the children understand how to stay safe online now and in the future.

If your child does have any worries about something inappropriate they may have seen, please do not hesitate to contact us at school to support you through this.

Thank you for your continued support,

Kind Regards

Mrs C. Old
