

## World Book Day Competition (KS1)

For this year's World Book Day, we are holding a competition on who can make the most creative fairy tale finger puppet! You can make any character you like, using things that you already have around the house.

You will need to take a picture of your puppet and email it to your teacher's @homelearning email to enter. All entries to be sent by Friday 12<sup>th</sup> March.

Winners will be announced on  
Monday 15<sup>th</sup> March.

We look forward to seeing your  
wonderful characters!

**Good luck!**
