## the **BirdBox** project

25<sup>th</sup> March 2021

Dear Children and Parents,

We are very excited to be part of the Bird box Project for the Southeast 2021 this year. In our school grounds we have our own bird box fitted with a webcam which can be viewed live throughout the day on the Bird box Project website. In the past we have had sparrows and blue tits in our box.

You can visit the website by going to:

<http://www.seenature.org.uk/school-zone/school-streams/>

From there you can see our school bird box, as well as look at other boxes.

If you would like to write a comment, you need to login. We look forward to reading some of your comments on the site.

Fingers crossed for the arrival of a nest with eggs in the Cecil Road bird box soon!

Happy Twitching!

Miss Honey
