

Dear Parents & Carers,

Your child may have mentioned they have been made aware in school of a service called **Kooth**, commissioned by NHS Kent and Medway Clinical Commissioning Group.

Kooth is a Free, Anonymous and Safe Online Mental Wellbeing Community for young people aged 10-25 within Kent.

We provide a range of services to support young people's wellbeing. Our trained and qualified counsellors are available until 10pm each night, 365 days per year. We also host pre-moderated, age appropriate peer to peer discussion boards, live forums and articles, all of which hold young person friendly information, as well as therapeutic content.

Whilst your child may not need or use the service, as part of supporting our schools to support students to look after their wellbeing, we are ensuring all children are aware of provision in the area that could assist them now, in their transition to secondary school or in the future. We will be leading a transition session on Wednesday 7th July with your child's year group in school.

If you have any questions or would like to discuss what Kooth can offer, please contact the school, who will be able to answer your queries. If you would prefer to speak to representatives from Kooth directly, please email the Kooth team on parents@kooth.com

Kind Regards

Karen Dawber

Kooth Engagement Lead - Kent
